The e-Committee, Supreme Court of India released manuals in 14 languages (English, Hindi, Assamese, Bengali, Gujarathi, Kannada, Khasi, Malayalam, Marathi, Nepali, Odia, Punjabi, Tamil, Telugu) for its top citizen-centric service-free e-Courts services mobile app.

The “e-Courts Services Mobile app” has already been released by e-Committee for the benefit of the litigants, citizens, lawyers, law firms, police, Government agencies and other institutional litigants. The app, so far, had crossed 57 lakh downloads. The mobile app, along with

its manuals in English and other regional languages, can be freely downloaded from the official website of the e-Committee, Supreme Court of India: <https://ecommitteesci.gov.in/service/ecourts-services-mobile-application/>

The foreword of the manual has been authored by the Chairperson of e-Committee – Dr Justice Dhananjaya Y Chandrachud (Judge, Supreme Court of India). In the foreword, he has stressed the importance of this free citizen-centric mobile app and highlighted on its reach. Below are a few excerpts from the foreword:

- *“The e-Committee of the Supreme Court has been at the forefront of introducing digital reforms in the field of law. In the past one year, the pandemic has also pushed advocates, judges and litigants to adopt high tech solutions due to the closure of offices and courts in light of lockdowns and public health concerns. Working remotely, virtual courts, digital workplaces and electronic case management have become integral to*

how the legal profession is practised and conducted. This has given us a rare opportunity to embrace technology not just as an interim measure but to transform our legal system to make it more efficient, inclusive, accessible and environmentally sustainable. The e-Courts Services Mobile Application is a step in this direction.”

- *“I am happy to note that many advocates and litigants have already embraced the services offered through this mobile application with more than 57 lakh downloads so far. The application will pave the way for optimizing our legal system in an ever-evolving digital world.”*

Shri Barun Mitra (Secretary, Department of Justice) has also written a foreword for the manual, in which he has highlighted the importance of this Electronic Case Management Tools for the Advocates: Below are a few excerpts from the foreword:

- *“As the legal world is gradually turning digital globally, the process of ICT enablement of the judicial landscape in*

India has concurrently made significant strides. As an integral part of this multi-dimensional initiative, the e-Courts Services Mobile App has been widely hailed as an effective Electronic Case Management Tool (ECMT). Its popularity is manifested in the growing number of downloads by lawyers, having already crossed the 57 lakh figure."

- "Robust Case Management and sound supporting systems are at the core of any well-functioning legal architecture. ECMT tool enables a lawyer to efficiently manage case information, document assembly, calendaring, time-tracking of case status, accessing judicial decisions, compliance requirements etc. To cap it, ECMT is of immense convenience being available 24 x 7 with no geographical boundaries and easy access on no-cost basis. The e-Courts Services Mobile App with its digital diary features has thus evolved into a must-have tool for lawyers to promote their professional efficiency."
- "Publication of this Manual on e-Courts Services Mobile App is yet another

laudable step by the e-Committee of the Supreme Court to create large scale awareness of this ECMT and in bringing its benefits to the doorstep of the lawyers' community."

The manuals released by the e-Committee, in English and other regional languages, explain all features of the mobile app along with screenshots, in order to enable a simple understanding for everyone. The "e-Courts services mobile app Manual" was originally prepared in English, and was subsequently translated in regional languages by the In-house Human Resource team of the e-Committee. The team comprised of the Master Trainers (Judicial Officers and staff) from various High Courts, in coordination with the Central Project Coordinators of the respective High Courts. The regional language manuals have also been made available on the respective High Court websites.

Using the e-Courts services mobile app, one can avail of various citizen-centric services, such as:

- Search for cases with case numbers, CNR numbers, filing numbers, party names, FIR number, advocate details, Acts, etc;
- Various search types like CNR Search, Case Status Search, Cause List Search also available;
- One can get the complete case history of the case from the filing until disposal, including the date wise case diary;
- One can access Orders/Judgments, transfer details of the case, interim application status;
- One can get the case status/case details of both High Courts and District Courts;
- The advocate/litigant/organization can maintain a digital diary of all cases under "My Cases", which is the most used and attractive feature. It can be customized using the "My Cases" option available and is the digital equivalent of a diary used by an

advocate/litigant. Within this, one can add the personal case numbers and can get automatic updates. It is useful for litigants, firms, companies or organization having multiple cases in different Courts at different places;

- All the e-Courts services are also interlinked within the e-Courts mobile app;
- The e-Courts Mobile app itself is also available in Indian regional languages; and
- As such, the e-Courts Services mobile App is the personalized digital case diary for everyone, with all their case details available in their handset 24*7, free of cost.

So, during the pandemic, anyone can access the case status, court orders, cause list through their mobile phone with the e-Courts services mobile app, 24*7 and free of cost, without physically going to the concerned Court complex

Online Training Programme for Advocates/Advocates Clerks at High Court of Madhya Pradesh

On 18 May 2021, the e-Committee Training programme for Advocates and Advocates Clerk was conducted by the High Court of Madhya Pradesh under the guidance of Chairperson of the Computer and E-Committee of Madhya Pradesh High Court, through the Advocate Master Trainers along with Judge Master Trainers.

Due to pandemic situation in the month of May, the training was conducted in virtual mode and the live stream was viewed by more than 10,000 advocates/clerks throughout the State. The Advocate Master Trainers from the remote places of State delivered lectures, shared their experiences,

outlined the problems faced by them as advocates and how they are optimizing their output through the adoption of technology. The training focused on the e-Court initiatives. During the training, the participants raised their questions in live chat box and the Master Trainers attempted to resolve these problems by providing solutions. The feedback and comments relating to the training are available on the YouTube channel of the Madhya Pradesh High Court, available here: <https://youtube/FWwbz9NGcWs>. Once the normalcy resumes after covid , it has been planned to conduct the training through offline mode as well.

Online Training Programme for Advocates/Advocates Clerks at High Court of Rajasthan

Under the aegis of e-Committee, Supreme Court of India, online training for advocates and their clerks on “Electronic Case Management Tools (ECMT) for Advocates” was organized by Rajasthan High Court and Rajasthan State Judicial Academy on 21 May 2021. Considering the prevailing pandemic situation, the awareness Programme was conducted online and live streamed on YouTube channel of Rajasthan High Court. A Special Training Module in Hindi language was prepared to cater to a maximum

number of audience members not only at the District Headquarters, but also at Taluka level. Two trained Advocate Master Trainers and two Judicial Officer Master Trainers conducted awareness sessions which consisted of nine sessions on various e-services, such as, websites, mobile application, e-filing, e-pay, video conferencing, help desk, etc. One representative from every District Bar Associations of the State directly interacted with the Master Trainers during the training through VC, and they put the questions on behalf

their respective Bar Associations. Since the entire programme was live streamed, advocates and advocate clerks from all the 36 Judgeships and Bar Associations of the State participated virtually from their respective residence and offices. Queries posted by participants in YouTube live-chat segment were also answered live during the programme. Within a short span of time, this programme has successfully achieved more than 8000 views YouTube channel. This training programme uploaded on YouTube channel of Rajasthan High Court can be viewed here: <https://youtu.be/s9DbpeYLKHU>.

Extension of Paperless Court for New Case Types by the High Court of Rajasthan

After successfully setting up of four Paperless Courts in the Rajasthan High Court for bail matters, a detailed plan has been chalked out to further extend

functioning of Paperless courts for other case types in a phased manner. A time-line has also been set up to complete all the phases by the end of this year, and to commence hearing of all cases of the criminal section and all tax matters in Paperless Courts. The proposed phases for expansion of paperless courts is as under:

- Phase I - All Criminal Writ petitions;
- Phase II - All Criminal Misc. Petitions;
- Phase III - All Criminal Revision Petitions;
- Phase IV - All Criminal Appeals;
- Phase V - All matters pertaining to Commercial Appellate Division; and
- Phase VI - All Writ Petitions and Appeals relating to Tax matters.

The Paperless Courts setup in Rajasthan High Court are unique in the sense that these are live courts. The moment any document is dealt by the Registry in case file, it is automatically reflected in the Paperless Courts as well.

District Court Performance Monitoring Tool (DCPMT) rolled out by High Court of Uttarakhand

The Uttarakhand High Court has developed an application software (District Court Performance Monitoring Tool – DCPMT) for monitoring the daily performance of District Courts in the State of Uttarakhand. It was inaugurated by Hon’ble Chief Justice on 3 March 2021. DCPMT aims to provide a tool to the Hon’ble Judges of the Uttarakhand High Court to monitor the performance of the Judicial Officers of the State on five parameters of the Court work, on a daily and monthly

basis. It also enables the High Court to monitor the progress of all the subordinate Courts, in terms of disposal of every case including special category cases like old cases, cases relating to Women, Children, Senior citizens, etc. It also provides the Judicial Officers of the State a platform to monitor their own performance, so as to inspire them to do better every day and to achieve a desirable benchmark of performance, in accordance with the expectations of the High Court.

High Court of Patna Implements Interoperable Criminal Justice System (ICJS) in all the District Courts of Bihar

The Interoperable Criminal Justice System (ICJS) has been introduced to facilitate speedy justice through data-exchange between the Courts, police/prosecution, jails and the forensic labs. In Bihar: all Courts have been integrated with ICJS; 894 CCTNS enabled Police Stations have been integrated with ICJS; all the 59 Prisons

are online and integrated with ICJS; 36 Districts are using e-Prosecution and all are integrated with ICJS; and all three FSLs are using e-Forensics and are integrated with ICJS.

Presently, as approved, data sharing has been enabled between CCTNS and CIS through ICJS.
